

Applying for a Permit Online (CAP)

EnerGov – Land Management 2016.1

OVERVIEW

This guide will walk you through the following process of registering for an account on the Citizen Access Portal (ePortal).

- Logging into the ePortal.
- Selecting the permit.
- Filling out the permit information.
- Adding an address.
- Adding a contact.
- Uploading files.
- Paying fees.
- Scheduling inspections.

LOGGING INTO YOUR ACCOUNT

Prior to logging into the ePortal site, you must register for a login. For more information view the guide on How to Register on CAP. After you have registered, you can click the Log On button to sign in.

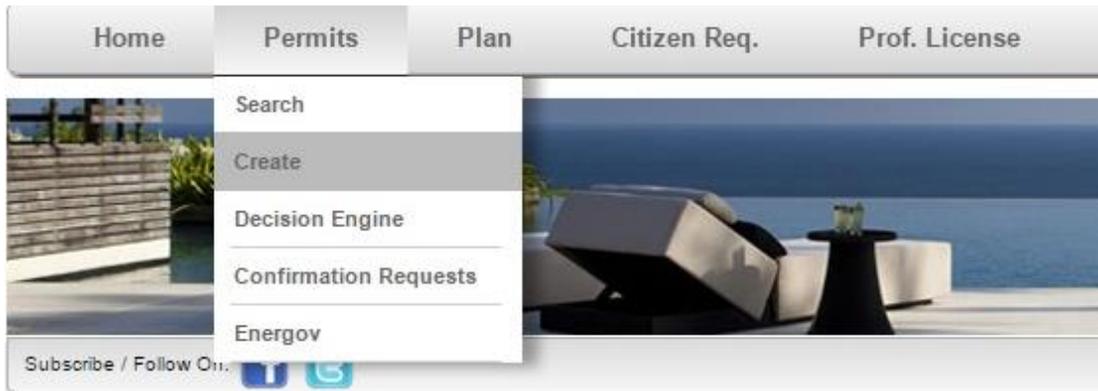

NOTE To apply for a permit on line, you will need to be logged into your account. If you are not logged in and select the Permit tab and then select Create, the system will send you to the log in screen.

To log in to your account, enter your email and password and click the **Log On** button.

CHOOSING THE PERMIT

Once you have logged into your account you will follow these steps to apply for your permit.

1. Select Create from the Permits tab.

2. You will be directed to the permit application screen where you will need to select the type of permit that you are applying for. Select the appropriate **Type** and **Work Class** from the dropdowns.

A screenshot of a web form titled 'Permit Fields'. The form contains four input fields: 'Type' with a dropdown menu set to 'Building (Residential)', 'Work Class' with a dropdown menu set to 'Fence', 'Square Feet' with a text input field containing '0', and 'Valuation' with a text input field containing '1500'. There is also a 'Description' text input field which is currently empty. The form is enclosed in a light gray border.

NOTE It is important that you make the appropriate selections here as any mistakes will result in having to go through the process of applying and filling out all the information again.

3. Under the Additional Info tab, fill in all the fields that are marked with an asterisk (*). These fields are required and you will not be able to submit the permit until they have all been populated with information.

A screenshot of a web form titled 'Additional Info:'. The form contains two input fields: 'Fence Type' with a dropdown menu set to 'Chain Link' and 'Fence Material' with a dropdown menu set to 'Metal'. Both fields have a red asterisk next to them, indicating they are required. The form is enclosed in a light gray border.

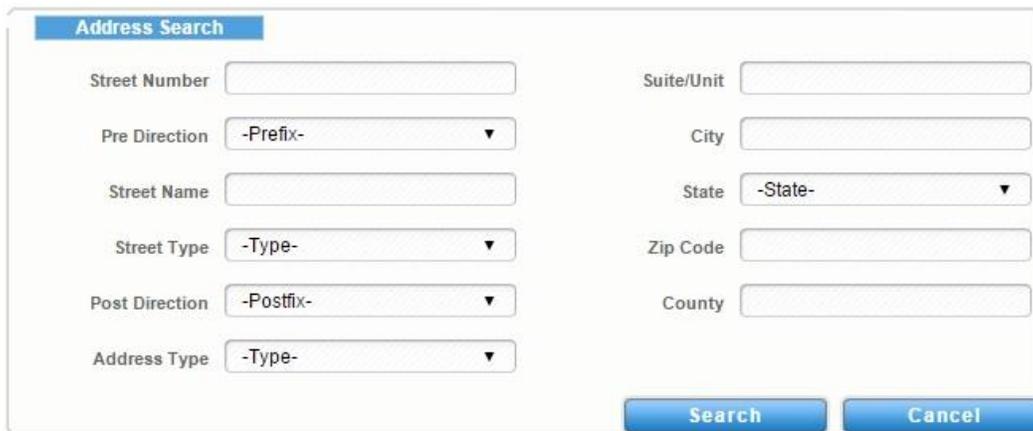

4. If a field is not marked with the red star, but you have the information, fill it in. This will aid in expediting the permitting process.

ADDRESS TO USE

When you get to the **Address to Use** tab, you will need to reference the location where this permit will be used.

1. Click the **New Search** button to search for available addresses in the municipal database.

NOTE Only use Manual Entry if you are unable to locate the address by using the New Search button.

The screenshot shows a web form titled "Address Search". It contains the following fields and controls:

- Street Number: Text input field
- Pre Direction: Dropdown menu with "-Prefix-" selected
- Street Name: Text input field
- Street Type: Dropdown menu with "-Type-" selected
- Post Direction: Dropdown menu with "-Postfix-" selected
- Address Type: Dropdown menu with "-Type-" selected
- Suite/Unit: Text input field
- City: Text input field
- State: Dropdown menu with "-State-" selected
- Zip Code: Text input field
- County: Text input field
- Search: Blue button
- Cancel: Blue button

2. Enter the information you have and click the **Search** button.
3. Once the results appear, click **Select** next to the results to select an address.
4. It is very important that you select an address type. This will let the city know if this is the Location of the permit or a Mailing address.
5. Click **Save**.

NOTE If Save is not available, make sure that you have the Address Type selected.

ADDING A CONTACT

By default, the system will add the name of the user who is applying for the permit, to the permit as a contact. If you wish to add any additional contact, i.e. Contractor, Owner etc... just follow these steps.

1. Click **Add Contact**.
2. Enter the **Contact Type** this person will be for this permit. For example, Contractor.
3. Enter the name and any other pertinent information and then click the **Search** button.
4. Select the contact by clicking the button next to the contact you want to add.

The screenshot displays a 'Contact Search' window. At the top, there is a table with columns for First Name, Last Name, Company, and Title. The table contains five rows of search results. The second row, 'Robert Byrd', is selected. Below the table, there is a detailed view of the selected contact, showing fields for First Name (Robert), Last Name (Byrd), Company, Title, Contact ID # (ID-000002760), and Main Address (3441 Churchill Rd). At the bottom of the window, there are four buttons: 'New Search', 'Add New', 'Add Selected', and 'Cancel'.

	First Name	Last Name	Company	Title
<input type="radio"/>	DEER PARK	LIMITED LLC		
<input checked="" type="radio"/>	Robert	Byrd		
<input type="radio"/>	AKN	PROPERTIES LLC		
<input type="radio"/>	Housing Authority Of The	Housing Authority Of The		
<input type="radio"/>	HOUSING AUTHORITY OF THE	HOUSING AUTHORITY OF THE		

Displaying items 1 - 8 of 8

First Name: **Robert** Last Name: **Byrd**

Company: Title:

Contact ID #: **ID-000002760** Main Address: **3441 Churchill Rd**

New Search **Add New** **Add Selected** **Cancel**

NOTE You may only add contacts that are in the municipality's database of contacts.

- Once you add the contact, it will appear under the contacts list.

Contact Search					
	★	First Name	Last Name	Contact Type	Company
		Chris	Therrien	Applicant	
✕	★	Robert	Byrd	Owner	

NOTE If the person that you have added is someone that you will use again in the future, you can add them to your Favorites by selecting the white star next to their name which turns yellow to indicate a favorite. In the future, you can add them to a permit by selecting **Add Favorite** when adding a contact.

ATTACHING FILES AND SUBMITTING

The last step in the process is to upload any required files and to submit the permit.

- Click on the **Select** button in the Upload Attachments box and browse for the file on your computer.

The screenshot shows the 'Upload Attachments' section of a web form. It features a large text input field and a 'Select...' button to its right, which is highlighted with a red rectangular box. Below the input field is a 'Submit' button. To the right of the form is a 'Note' icon (a blue circle with an exclamation mark) and a text block: 'Attach files. Each file can not exceed 1MB. File type supported: pdf, png, jpeg, gif, tiff, doc, docx, xls, xlsx, txt'.

- After you have attached the file, click the **Submit** button at the bottom of the screen and your permit will be submitted to the city for review.

The screenshot shows the 'Upload Attachments' section after a file has been uploaded. The 'Select...' button is now disabled. Below the input field, a file named 'SiteInventoryExample.jpg' is listed with a green dot on the left and a 'Remove' button on the right. The 'Submit' button at the bottom right is highlighted with a red rectangular box. The 'Note' and its text are identical to the previous screenshot.

- Once the permit has been saved, the system will generate a unique Permit Number.

Permit Number **BLDR-000416-2016**

Permit Details

Permit Type: Building (Residential)	Application Date: 8/9/2016	Square Feet: 0.00
Work Class: Fence	Issue Date: None	Valuation: 1500.0000
Status: Submitted - Online	Expiration Date: None	Description: 

4. If you click the **Home** tab, you will now see the permit listed in your Permits box.

Tyler Demo Permits [Change Filter](#)

Permit Number	Type	Work Class	Status	ApplyDate	Issued
BLDR-000416-2016	Building (Residential)	Fence	Submitted - Online	08/09/2016	

5. Clicking on the permit number will open the permit details screen for further information such as fees and inspections.

PAYING FEES

If your municipality allows for on-line payment of fees, you will have the ability to pay fees on the ePortal. All fees, that are due, will appear as shown below.

To make a payment click the **Pay Fees** button. Click the **Make Payment** button in the Payment screen and process your payment.

SCHEDULING AN INSPECTION

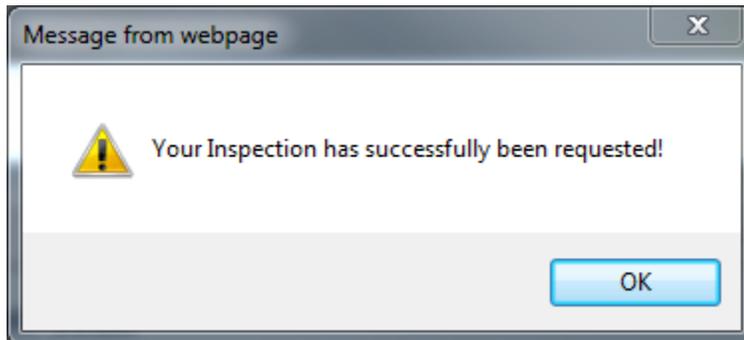

Some municipalities require certain criteria to be met prior to scheduling an inspection, such as fees to be paid, permit to be issued, etc.

1. Once the ability to schedule an inspection is made available, you will see a **Schedule Inspection** box within your permit record. You will need to click on the **Schedule** button next to the inspection that you want to schedule.

Select	Type	Status	Date	Reinspection
Schedule	Foundation Wall			No
Schedule	Concrete Slab			No
Schedule	Floor Framing			No
Schedule	Wall Framing			No
	Electrical			

2. You will need to select a date by clicking on the calendar box within the pop up window. You can also leave comments for the inspector, such as “gate code” within the comment field. A popup will appear that states “Your Inspection has successfully been requested!”. Click **OK**.

- Once you have made your selection, you will see the inspection listed under the **Existing Inspections** box.

NOTE You have the option of cancelling an inspection prior to it being scheduled by clicking Cancel next to the inspection. Once the inspection has a Scheduled Date, you can no longer cancel the inspection. You will need to contact the municipality or the assigned inspector.

Existing Inspections

	Details	Type	Status	Request Date	Sch
Cancel	Inspection Details	Footing	Requested	8/3/2016	
Cancel	Inspection Details	Foundation Wall	Scheduled	8/9/2016	8/9/2016

Displaying items 1 - 2 of 2

- When the requested inspection is approved by the municipality, you will see the schedule date populated with the day of the inspection as well as the name of the inspector who is assigned to the inspection.

Existing Inspections

Type	Status	Request Date	Scheduled Date	Inspector
Footing	Requested	8/3/2016		
Foundation Wall	Scheduled	8/9/2016	8/9/2016	Durham, Dan

Displaying items 1 - 2 of 2

VIEWING INSPECTION RESULTS

After the inspector has completed the inspection, the results will be available online.

- Open the permit record.
- Locate the Existing Inspections section.

3. Click Inspection Details next to the inspection containing the results.

Existing Inspections

	Details	Type	Status	Request Date	Sch
Cancel	Inspection Details	Footing	Requested	8/3/2016	
	Inspection Details	Foundation Wall	Re-inspection required (Permit)	8/9/2016	8/9/16

Displaying items 1 - 2 of 2

4. Locate the Inspection Checklist section. The comments will be in the Comments column if comments were provided.

Inspection Checklist
